## 11. Key qualifications:

**Birgitte Jallov is a senior development professional** with extensive experience in project management and evaluation through a lifetime of work in the world of development (70 countries and in more than 350 realities). Birgitte has worked ten years in the UN (4 years in ILO and 6 in UNESCO) and has worked with and within more than 50 different organisations, including bilateral funding organisations, agencies and CSOs not least as a development consultant for some 20 years, which has given her **a solid and nuanced understanding of different cultures, strengths and challenges**. In her **more than 45 evaluations, most in the capacity as team leader**, Birgitte has come to be recognized to effectively ensure participation by relevant actors in and around the given intervention evaluated, and to be ever **mindful to ‘do no harm’ through respectful engagement with realities**. This has been appreciated by her clients and the people and organisations evaluated alike, and **Birgitte forms part of a small core team of evaluation team leaders vetted by Sida**.

Birgitte’s more than **25 years of experience in the area of media development, communication for development & empowerment, press freedom, civil society, human rights and gender**, has also included carrying out this work in **countries in conflict, post-conflict and in fragile states**. Broad experience in analysing communication needs, developing and designing, implementing and **evaluating communication strategies and development projects**. Since 1980 worked with women and gender as a cross-cutting theme of importance and with community radio for development, **empowerment and social change**.

Powerful manager with capacity to instill teams with enthusiasm and direction. Proven ability to design and manage projects and deliver to tight deadlines, from **programme planning, over implementation, monitoring and evaluation**, and on to management, leadership, coaching and **training**. Extensive experience in carrying out needs assessment to design **capacity development** processes and to meet the needs identified **for institutional strengthening**, strategic planning and organisational development. Good results working with **awareness raising** including through **information and communication**.

**Good combination of thorough experience with overall research and hands-on facilitation** of participatory processes at grass roots level. **Policy analysis, design and reforms (including gender analysis, institutional, stakeholder analysis)**. Design of sustainability strategies, including focus on community ownership, community research for impact assessment, and partnership strategies. Effective trainer and workshop facilitator, focusing on participation & engagement, impact & change. Experienced and powerful speaker and conference moderator. Media mapping and elaboration, analysis and presentation of media landscapes accompanied by clearly presented recommendations and best way forward integrated in most work to build on what exists.

Increasingly high-level work with **RBM and M&E**, Impact assessments and elaboration of strategic organisational M&E systems and tools. **Carried out more than 40 evaluations (ex-ante, interim and ex-post)**, reviews and impact assessments – most of these as team leader. Has been evaluated 7 times.

**Experience working at international, regional, national and local level**, especially in Sub-saharan Africa, Asia, the Middle East and Europe, across a variety of different organizations, cultures and disciplines, including **mainstreaming of cross-cutting issues** (community development, women & **gender**, SRHS, GBV, FGM, post-conflict transition of **media policy & practice, training & education**, health, HIV AIDS, **disabilities, Youth**, child rights and a **human rights-based approach**). Adviser to national and regional community radio networks; on boards and juries. **Documenting experience in articles, presentations, documentary films**. Fluent in English, Portuguese, French, German and Danish, able to work in Spanish, Swedish, Norwegian.

Field work conducted in more than **70 different countries** and within **more than 350 development** projects and programmes. Work experience from: Albania, Angola, Argentina, Australia, Azerbaijan, Belarus, Belgium, Botswana, Burkina Faso, Burundi, Cambodia, Canada, Chad, Denmark, Democratic Republic of Congo, Egypt, Estonia, **Ethiopia**, Finland, France, Georgia, Germany, Ghana, Holland, Hungary, Iceland, Ireland, India, Indonesia, Italy, Jordan, Kazakhstan, Kenya, Kyrgyz Republic, Lao PDR, Latvia, Lesotho, Liberia, Lithuania, Madagascar, Malawi, Mali, Moldova, Mozambique, Myanmar, Nepal, Nicaragua, Niger, Nigeria, Norway, Pakistan, Palestine, Philippines, Poland, Russia, Rwanda, Senegal, Slovenia, South Africa, Spain, Sudan, Swaziland, Sweden, Switzerland, Tanzania, Thailand, Uganda, UK, Ukraine, USA, Vietnam, Yemen, Zambia and Zimbabwe.

## AWARDS:

- 2022**      **Lifetime Achievement Award for raising women's voices in the media**  
**Women's Institute for Freedom of the Press, Washington DC**
- 2022**      **In appreciation of outstanding dedication and excellence**  
**International Association of Women in Radio and TV (IAWRT)**
- 2004**      **In recognition of outstanding leadership and remarkable achievements**  
**UNESCO and UNDP Mozambique**

## 12. International experience:

Country	Date: from (month/year) to (month/year)
USA (exchange student)	08/1974 - 06/1975
USA (internship research institution, think tank)	09/1982 – 02/1983
Switzerland (worked in ILO, lived in France)	04/1988 – 07/1992
France (worked in Switzerland, lived in France)	04/1988 – 07/1992
Mozambique (CTA UNESCO Media project)	09/1998 – 10/2004
Africa, Asia, Central Asia, Middle East, Europe	2-5 week work periods in countries listed above

## 13. SKILLS PROFILE and COMPETENCIES:

- Project Evaluation**
- Invited part of the Core team of **Evaluation team leaders for Sida programmes** within the Sida-NIRAS partnership
  - Extensive experience in evaluations with more than 40 evaluations and reviews of development projects, programmes and interventions carried out – often team leader;
  - Birgitte has been evaluated 7 times herself as a project manager;
  - Lectures at the Malmö University (Sweden) Communication for development master programme in evaluation of communication and media interventions: history, practice;
  - Has written articles about how evaluation can help empowerment and sustainability of development efforts – partly based on own practice.
- Project Management**
- Designing, implementing and evaluating projects in a range of disciplines
  - Participatory strategic planning from A to Z – as practical management tool
  - Providing effective solutions on time and on budget
  - Being practical, realistic, task focused, organized and results oriented
  - Advanced use of Logical Framework Approach, Results Based Management, SWOT methodologies & techniques
- Leadership**
- Managing newly formed and established teams of staff and consultants
  - Instilling teams with motivation and creativity through participatory processes/insights
  - Providing advice & training to variety of target groups
- People Management**
- Managing multi-national, cross functional teams using flexible management style
  - Operating internationally, with diverse national and organizational cultures
  - Managing & coaching technical and operational staff to deliver quality services
  - High level respect for other people and cultures – believe in personal warmth, openness
- Communication**
- Experienced and effective designer and implementor of communication strategies involving traditional, alternative, social and interpersonal communication
  - Winning trust and working effectively with senior as well as junior and operational staff
  - Using strong negotiation & facilitation skills in a variety of settings
  - Designing & delivering presentations, training & process facilitation
  - Conference facilitation and moderation – of smaller or bigger audiences
- Curriculum Development**
- Designing empowering and ownership-creating learning processes, based on thorough understanding of participants' background and onward needs;
  - Unless specific urgent skills may be needed, where a 'product focused' approach is useful, 'a process model' is prioritized, considering how learning develops over a period of time and is more open-ended.

- Communication for Empowerment and Social change**
- Designing empowering participatory processes for community development
  - Creation of community radio for participatory development and social change
  - Participatory design of adequate sustainability strategies
  - Design of research methods for community development and impact assessment
  - Empowering women (and women’s media) for action and change
  - Participatory strategic planning for ownership, sustainability eg of media houses
  - Facilitating creative problem solving capacity through exemplary processes
